Group Leaders	Provincial Support Officers
Group Support Facilitators	National Youth Programme Committee
Assistant County Programme Coordinators	National Adult Resources Committee
County Programme Coordinators	National Spiritual / Religious Advisory Panel
County Training Coordinators	National Management Committee

**Re: National Youth Programme Committee - 2010 Calendar of Events**

Dear Scouter,

Please find enclosed your copy of the National Events (Youth Programme) Wall Planner for January – December 2010. This wall planner reflects the dates published on [www.scouts.ie](http://www.scouts.ie) website back on the 08.10.2009.

This planner details the dates of all National Events, the section(s) they are open to and the relevant closing dates for bookings. The events are listed in chronological order with a grid included at the base to give each individual youth member an idea of the events that are typically available to them, given their age. This planner should prove to be a useful planning resource for your Group / Section – please ensure that there is a copy of the planner on display in your meeting place for all Youth Members and Adult Scouter to reference.

The support information and booking forms for all National Events will be made available during 2010 via our website [www.scouts.ie/events](http://www.scouts.ie/events). If you do not have access to the internet please contact National Office [during office hours 9am – 5pm] for the relevant information pack(s) to be put in the post as they become available.

As with everything in Scouting, National Events being no exception, we need the assistance of Adult Scouters. We need help to run everything you see on the planner; from programme brainstorming, arts 'n' crafts, hike planning, logistics, administration, life guarding, first aid, to staffing on the day. If you are interested in giving us a dig out in any shape or form, or if you simply have any questions regarding any of the National Events listed on the planner please do not hesitate to email [events@scouts.ie](mailto:events@scouts.ie) with your query or ring us in National Office on Wednesday Nights between 20:00 and 21:00 on 01 – 495 6300.

The calendar of events and a narrative giving some basic information on each event is also available via our website [www.scouts.ie/events](http://www.scouts.ie/events). Looking forward to seeing you at National Events over the course of 2010,

Yours in Scouting

**IAN DAVY**  
Programme Commissioner (National Events)
