Preparation before the Event

The theme for the National Beaver Scouting Days is “**Happy Feet**”

In order to create a magical atmosphere on the day, we want everyone to come in costume in line with the theme above, especially Adults. These costumes can be made on meeting nights coming up to the day out.

A packed lunch must be brought on the day along with clothing suitable for outdoor activities, including rainwear. As part of the preparation for the event why not include “what to include in a nutritional lunch” and “what needs to go into my day bag & how should I pack it”
