Preparation before the Event

In keeping with the Animal Awareness Theme we would like Beaver Sections to bring along with them a model "Beaver Habitat" – One per Beaver Section. This should be made on a meeting night in preparation for the outing, see reference documents on www.scouts.ie/events/event-diary/beaver-event for ideas

A packed lunch must be brought on the day along with clothing suitable for outdoor activities, including rainwear. As part of the preparation for the event why not include "what to include in a nutritional lunch" and "what needs to go into my day bag & how should I pack it"
