The Kenya Scouts Association is the largest youth movement in Kenya with over 300,000 scouts and over 20,000 scout leaders.

The Moot programme concept development has been inspired by the spirit of discovery, innovation, diversity, mentorship & leadership development, opportunities for livelihood, international citizenship, religion, development, peace, service to others, environment, education and scouting for those in difficult circumstances.

The Moot programme will be composed of the following:

1. Four days community service and community development in the Expedition centers and their environs especially in the area of environment, development, health, and education with active travelling, intercultural experiences and African adventure (safari) in the wilderness.
2. Four days main camp activities to share your respective projects, exchange handicrafts, take part in activities at the Global Development Village [GDV] enrich your experiences, learn more about the issues of today's world, meet various leaders (business, religious, political, civic, NGO, etc) appreciate and celebrate international diversity.
3. The Moot programme will also provide opportunities for leadership skills development, teamwork, exploitation of potentials & talents, decision making and mentorship through challenging activities
4. Promotion of the Scout of the World Award Programme in the areas of Peace, Development and Environment as a step towards addressing the MDGs [Millennium Development Goals]
5. The other key elements of the programme will include welcome and farewell ceremonies, free time to meet fellow participants informally and home hospitality after the event for the interested individuals.

All participants will assemble at the Rowallan camp and after the opening ceremony they will depart to the different expedition centers namely Machakos, Nyeri, Mombasa and Siaya for four days. The remaining days will be spent at the Rowallan camp.

The Rowallan National camp is situated in Nairobi city about 20 minutes drive from the Central Business District.
