20 October 2020

Dear Anne,

On behalf of Scouts Australia, I would like to extend my appreciation to members of Scouting Ireland for their support following the Australian bushfires earlier this year. Your members purchased over 700 badges and helped raise more than AUD\$3,800.

I am pleased to confirm that these funds have provided vital support to Scouting families impacted by the unprecedented bushfires through the delivery of Mental Health First Aid Training, the replacement of essential facilities and equipment at our affected Scout Groups, and the replacement of Scouting uniforms and camping supplies for our affected youth members.

The incredibly generous support has been very much appreciated by all our impacted members.

Yours in Scouting,

Aaron Wardle
International Commissioner of Australia
