Scouting Ireland wish to recruit an experienced Database Officer within the Corporate Services Department, to take up the role in November 2020.

The Database Officer will be a key member of the Scouting Ireland's Corporate Services Department. The successful candidate will need to be comfortable working with a wide range of people both internal and external to the Organisation.

In order to apply for this role, you will have experience of working in a similar role.

Eligible applicants must also have skills in the following areas: Excellent I.T. skills, project management experience, communication skills, superb organisational ability and work effectively with a number of key stakeholders both internal and external.

Applications are invited from suitably qualified individuals for this position.

This is a full-time appointment. The term of appointment will initially be for a period of 12 months, from the date of appointment.
