Re: Forum Bookings

15th January 2013

Dear Scouter,

Following our letter of the 7th November 2012, where we were delighted to announce the planning of Scouting Ireland's first "Youth Programme & Adult Resource Forum" taking place on **Saturday 9th and Sunday 10th February 2013** in **Castle Saunderson National Scout Centre** (noting that registration and inductions will take place on **Friday 8th February 2013**), we are writing to you to confirm the registration process.

It is important that every Scout County is represented by their County Commissioner, County Programme Coordinator and County Training Coordinator *or their delegates*. The forum will provide an excellent opportunity for us all to work as team to identify and develop solutions for the continued support of the Scout Groups in your Scout County in terms of Youth Programme and Adult Resources. We shall be using trees as part of the symbolic framework for the Forum "**Growing Solid Support Over Time**"; with some excellent workshops utilising expertise outside of scouting, to assist in development tools and supports over the course of the Forum to assist you in your role.

We would ask that each Scout County book their three delegates using the following online [Delegate Registration Form](#), you can then pay the Forum fee (full board Friday – Sunday) of €76.00 per delegate as indicated on the registration form. The closing date for registration is 31st January 2013. On behalf of the Forum planning team, we wish you a safe journey to Castle Saunderson and look forward to meeting you next month.

Yours in Scouting,

Ian Davy

Chief Commissioner (Youth Programme)

Thérèse Bermingham

Chief Commissioner (Adult Resources)
