Re: Agenda Outline

Dear Scouter,

Following our letters of the 7th November & 14th January in relation to Scouting Ireland's first "Youth Programme & Adult Resource Forum" taking place on **Saturday 9th and Sunday 10th February 2013** in **Castle Saunderson National Scout Centre** (noting that registration and inductions will take place on **Friday 8th February 2013**), we are delighted to share with you the agenda on behalf of the Forum Planning Team.

The primary objective of the Forum is to assist the Scout County delegates in their role as a support function to Scout Groups by exploring the challenges they face as a team. There will be a number of Key Note Speakers external to Scouting Ireland, who will help us to understand best practice from a global perspective; participants will then through and develop solutions in a scouting context.
