Ref: L01/2017 – Open Call National Activities Team Lead Roles

4th January 2017

Dear Scouter/Rover Scout,

Over the last number of years it has become increasingly more difficult to recruit a Team Leads for the various National Activities. Having discussed this matter with the Chief Commissioner (Youth Programme) we have now decided that the best approach to resolve this issue is to establish a pool of Activity Team Leads who can be called upon each year to fill the vacancies as they arise on the relevant Activities. I

In order to avoid the members of this pool having to work on multiple Activities each year we hope to garner sufficient interest amongst our membership to allow us to establish a pool of 10 – 20 Team Leads with the view to expanding further in time.

Previous experience of running activities is not required in order to apply to join the pool, just a willingness to undertake the appropriate training that will be supplied. All those who apply to join the pool must therefore be available to partake in the Team Lead training day on **the 29th January in a Dublin location.**

If applications to join the pool are oversubscribed then the final decision on who will be invited to join the pool will be made following the training day by me and the Chief Commissioner (Youth Programme).

To apply to join the Assessors Pool please send a copy of your Scouting CV to nationalactivities@scouts.ie

The closing date for expression **13th January 2016**

If you have any questions relating to the above please feel free to contact me at nationalactivities@scouts.ie

Yours in Scouting

Jim McIlduff

National Activities Co-ordinator
