

Four Seasons Challenge

The Hillwalking Adventure Skill team wanted to show you our latest initiative early in the year. The Challenge is to hike 6 or 12 times in the year and MUST contain a hike in each of the 4 Seasons. For the elusive and prestigious 12 hike challenge we have set the bar at 2 hikes at minimum in each of the 4 seasons

It's up to the youth members and Scouters in each section to decide what's acceptable. These badges are available to every section. We would expect that the hike would be age appropriate and it's the section leadership team who decides if a particular hike is worthy to be counted towards the badge.

The plan is to offer the badge at €2 each plus €5 postage to facilitate those who wish to aim for this challenge. There is no need to register. Nearer the end of the year we will then ask people to buy a badge. More than likely it will be the Scouter who will buy them for their Scouts.

For all queries dont hesitate to email hillwalking@scouts.ie
